

DOG WALK INSTRUCTION FORM:

Will you drop a key off at Coco and Toto (730 11th Avenue) before the walks begin, or will the doorman be able to let the walker in for each walk? _____

Please explain lock instructions if there is anything we should know. (For example, which key to which lock, if there is a top or bottom lock on the apt door that you do not use, etc.) _____

Where are the leash/harness/bags in the apartment? _____

Where will notes for the walker be in the apartment? Where should the walker leave a note in the apartment at the end of the walk? _____

Do you require the walker to text you at the end of the walk? _____

Where are the dog's water and food bowls? _____

Does your dog require any feeding or any medications during the walk? If so, explain where the food and medications are and the quantities/dosages: _____

Is your dog allowed treats (either provided by the walker or those provided by you) as an incentive if necessary? Please explain. If there are treats for them in the apartment, where are they located, and how many are allowed to be given? _____

Do you require the dog walker to adjust any of the following in the apartment: lights, heater, fans, A/C units? If so, how would you like them left at the end of the walk? _____

Is there a special area in which you would like the dog left when the walk is over: a crate, a penned in area, a specific room, etc.? _____

Do you require part of the walk's allotted time period be spent inside the apartment for any reason (cold weather, medical constraints)? If so, please explain: _____

Does your dog have any medical conditions we should be aware of? _____

Does your dog have any leash aggression towards people or animals? If so, please explain: _____

Are there any specifics about which entrance or exit must be used in your building for dog walkers? _____

Where in the apartment are cleaning supplies in the event your walker arrives and your dog has an accident on the floor in the apartment? _____

Is there any other information that the walker should know (usual walk routes, particular issues or behaviors to be aware of)? _____
